

Conaty Law Office, LLC

SOLD

Congratulations!

You have found your dream home!
Now what?

Delaware Law requires that an attorney represent you in a real estate transaction, including:

- Order and Review Title Search
- Order Survey
- Prepare Documents for Settlement
- Provide Explanation of Documents at Settlement
- Record Documents
- Provide Title Insurance
- Retain Closing Documents

We at Conaty Law Office are here for you!

We provide the services required and much more. If you have any questions about those listed above, or would like a further explanation, please give us a call! We would be glad to clarify them and answer any other questions.
